

Truth

Born: 00

Died: May 1, 2012 in your life

A native resident of your heart, **TRUTH** completed his training in creation studies at "The University". While in your like, he was given access to every decision you ever made. His influence over you was undoubtedly the best thing you ever had going. **TRUTH** practiced direction and protection over you for many years. He was also active in overseeing the relationships in your life. **TRUTH** was a light in you. *Everyone who knows you, knew him.*

TRUTH was an accomplished composer of peace, joy and humbleness. From friendships, career decisions and relationships, there wasn't anything **TRUTH** couldn't figure out. If he had a flaw, it was that he was too much in love with you. **TRUTH** always had a kind word to say or a fun joke to share. He was the life of the party in every way. While he is no longer with you, he lives on in the hearts of those who trust in him. **TRUTH is survived by his Father "GOD", Jesus and the Holy Ghost.**

A memorial service will be held for Truth on Wednesday, June 6 at CNC Valley View and Thursday, June 7 at CNC West with both services at 7:00 PM.
